

CESC Career News

Friday 5 May, 2017

Issue 11

Reminders:

- **Undergraduate Medicine at Monash - UMAT** applications close at 5pm, Friday 2 June; test is Wednesday 26 July. The UMAT Information Booklet is available online at <http://umat.acer.edu.au>.
- **'INSIDE MONASH'** seminars – Coming in **May**: Tuesday 9 **Education**, Thursday 11 **Psychology**, Tuesday 16 **Medicine, Biomedical Science and Education**, Wednesday 17 **Law**, Thursday 18 **Health Sciences and IT**, Tuesday 23 **Biomedical Sciences, Radiography and Nutrition**, Thursday 25 **Engineering**; Register: www.monash.edu/inside-monash
- **EARLY ACHIEVERS PROGRAM (ACU)** – Applications now open until Monday 17 July. See: www.acu.edu.au/eap.
- **'FOCUS ON MELBOURNE'** in **May**: Tuesday 16 **Biomedicine**; Wednesday 17 **Agriculture**; Thursday 18 **Veterinary Science**; Tuesday 23 **Engineering**; Wednesday 24 **IT** and Tuesday 30 **Science**; <https://futurestudents.unimelb.edu.au/explore/events>.

Entry to Teaching Courses for 2018

The number of Victorian university graduates applying to become teachers has **fallen nearly 40% in a year**. This drop has triggered concerns about potential teacher shortages into the future. Requirements for getting into a teaching course will rise this year, with **ATAR's set at a minimum of 65 for 2018 and 70 in 2019**. From this year, Victorian universities will only be allowed to offer **two-year graduate entry initial teacher education programs**, instead of one-year courses which were known as the **Diploma of Education**. This may have deterred some students from pursuing a teaching career, although the difficulty in **finding full-time work** could be a contributor as well.

The **new compulsory literacy and numeracy test** and a **separate test** which will now be used by many Victorian universities for entry to education courses **to measure non-academic skills** like problem solving, leadership, empathy and resilience (**known at CASPer**) may also put off students.

CASPer (Computer-Based Assessment for Sampling Personal Characteristics) is an **admissions test developed in Canada which assesses non-cognitive or non-academic attributes in an online format** in the **pre-screening stage of the application process**. The cost to complete this test will be \$80.00.

NOTE: More details of this test will be provided as they become available.

Victorian College of the Arts (VCA) New Degrees

The VCA is pleased to announce that in 2018 it will be offering two new degrees for aspiring actors and theatre-makers.

The **Bachelor of Fine Arts(Acting)** and the **Bachelor of Fine Arts (Theatre)**, both dynamic, forward-thinking conservatoire-style programs, will **nurture a new generation of culturally aware and internationally focused actors and performance makers**, preparing them for 21st century careers in the Asia Pacific region across a wide range of stage and screen contexts.

NOTE: The VCA is a part of the University of Melbourne, located in Southbank.

MONASH University

Date Change: Medicine & Biomedical Science

Students are advised that the **Medicine & Biomedical Science** seminar originally scheduled for Tuesday 16 May, 2017 has been changed to **Monday 5 June 2017**. Register at [Inside Monash](#)

ACU News

Reminder – Early Achievers Program (EAP)

Have you been a regular volunteer, gaining leadership experience? The volunteering might be at school, a community organisation, or a cultural or religious group. If so, you could be eligible for the Early Achievers' Program entry into an undergraduate degree. If successful, you'll receive an offer as early as August. For most degrees the minimum ATAR for an EAP place is 58.50. Law and physiotherapy require a minimum of 70 while Occupational Therapy, paramedicine and speech pathology require 65. Applications are now open, and close on 17 July.

See: www.acu.edu.au/eap

VCE and Careers Expo 2017

All VCE students are reminded about the VCE & Careers expo at the Caulfield Racecourse taking place **THIS WEEKEND** from **4 May – 7 May 2017**.

There will be over 170 exhibitors providing information on –

- Information and resources for the VCE
- Information about university, TAFE and training courses
- Career advice
- Study advice
- International exchange and gap year programs

There will also be over a 150 seminars on topics including –

- VCE subjects including English, Maths, Biology, Psychology, Health and Human Development
- Tertiary courses
- Careers
- Gap year options

General admission tickets are \$10.00 per person and are valid for all four days.

Visit [The VCE and Careers Expo](#) to find out more!

SOUTHERN SCHOOL
OF NATURAL THERAPIES
50 years of education in health

Southern School of Natural Therapies

The **Southern School of Natural Therapies (SSNT)** offers a wide variety of natural therapy courses across the disciplines of Health Science, Naturopathy, Western Herbal Medicine, Nutritional Medicine, Clinical Myotherapy and Massage.

Students keen on finding out more about the courses on offer are encouraged to browse [Southern School of Natural Therapies](#)

Blue Mountains International Hotel Management School

- Based in Sydney, the BMIHMS is a leading hotel school for hospitality education
- There are two campuses - [Leura Campus](#) – situated in the Blue Mountains National Park, and the [Sydney Campus](#), which is in the heart of the CBD.
- Students can choose from a range of undergraduate business degrees including [International Hotel and Resort Management](#), [International Event Management](#) or [International Restaurant and Catering Management](#).
- There are also [Master Degree Programs](#), which include [International Hotel Management](#) and [Global Business Management](#).

Find out more at [Blue Mountains International Hotel Management School](#)

The International College of Hotel Management – Quick Facts

- The Swiss Hotel Association is famous for, and founded, the concept of International Hotel Management
- Swiss Hotel Association/ ICHM are specialists in the field of International Hotel Management
- The ICHM program has two degrees: *B. Business* and *B. International Hotel Management* obtainable in 3 years
- Successful graduates hold high management positions world-wide
- ICHM is one of the leading hotel schools in Australia, and has graduated more than 2000 students from 88 countries.
- It is a Swiss Hotel Association affiliated school with links to the oldest Swiss hotel school, Ecole hotelier de Lausanne.
- The program is a mix of academic and industry semesters
- The program includes 2-3 Industry placements of 750 hours each, with a minimum of 1500 hours and a maximum of 2800 hours
-

Visit [ICHM](#) for all other information!

Victorian Indigenous Engineering Winter School (VIEWS)

This is a program for Year 11 - 12 indigenous students that will expand **perspectives on engineering**. You need to be currently studying maths and science school subjects. The program includes meeting **Indigenous engineering professionals**, **site visits**, exploring **university campuses** and learning about engineering **study options**, and **hands-on workshops** that will expand your mind and develop problem solving and design skills. The program is a cooperative venture by, Melbourne, Monash, RMIT and Swinburne universities.

When: 1 – 7 July (School holidays); **Information:** matthew.currell@rmit.edu.au. **Apply:** <http://www.eng.unimelb.edu.au/engage/indigenous/views>; **Applications close:** Friday 2 June at 5pm.

Bachelor of Science (Adv.) and Doctor of Dental Medicine

The faculties of Dentistry and Science joined forces to create a new chapter in dental education: the **Bachelor of Science (Advanced) and Doctor of Dental Medicine**. Just like the Doctor of Dental Medicine, students graduate from this double degree as a dentist, eligible for registration with the Dental Board of Australia. An added advantage is that graduates attain an in-depth understanding of the sciences to provide a strong foundation for postgraduate study.

The seven-year course is ideal for dentistry students who want challenge and flexibility in their degree. Not only will students improve their knowledge of the sciences, they will also be able to indulge their personal interests by studying subjects offered by other faculties.

Applicants are eligible to apply for the double degree in Dentistry at the first opportunity after graduating high school, regardless of when their results are available. Admission to this course is for a limited number of outstanding applicants each year and applicants will also have to participate in an interview.

Find out more at [Science \(Advanced\)/Dental Medicine](#)

News from Deakin

Health Course Information Sessions

A reminder that the Faculty of Health at Deakin University will be running a number of events and Information Sessions that commenced in April.

SESSION	DATE	TIME	CAMPUS
Exercise & Sport Science	17 May	6 – 7.30pm	B
	20 May	2 – 3.30pm	B
	24 May	6 – 7.30pm	G
	27 May	2 – 3.30pm	G
Food & Nutrition Sciences	17 May	6 – 7.30pm	B
	20 May	2 – 3.30pm	B
Health Sciences	18 May	6 – 7.30pm	B
	25 May	6 – 7.30pm	GW
Nursing & Midwifery	26 July	6 – 8pm	B
	26 July	6 – 8pm	GW
	29 July	2.30 – 4.30pm	B
	29 July	2.30 – 4.30pm	GW
	11 August	6 – 7.30pm	tbc

G – Geelong Waurm Ponds

B – Burwood Melbourne

GW – Geelong Waterfront W –

Register online at [Deakin Health Events](#)

Snapshot of Deakin – Waurn Ponds Campus

- The Geelong Waurn Ponds Campus is home to the [Geelong Technology Precinct](#). The precinct focuses on Deakin's core research capabilities *in materials, biotechnology, chemistry, and environmental engineering*, along with regional strengths in *manufacturing and agri-processing*.
- The Geelong Waurn Ponds Campus is also home to the brand new [CADET](#) building – the *Centre for Advanced Design in Engineering Training*. The \$55 million state-of-the-art facility houses some of the most advanced and future-focused simulation and visualisation systems, purpose-built interactive laboratories and learning environments in the country.
- 2015 saw the first intake of students to the new 4-year Medical Imaging course offered at the Waurn Ponds Campus - [Medical Imaging](#). The department is a fully equipped x-ray department, and students have access to adult-sized human models designed to be x-rayed and reflect human-like responses to x-rays.
- Deakin University's Faculty of Health offers Australia's first accelerated optometry course. Offered as a combined course, the Bachelor of Vision Science/Master of Optometry - [Optometry](#). Students have access to a dedicated simulated optometry store for simulated exercises. Deakin Optometry is housed in the Regional Community Health Hub (REACH) building.
- Deakin's School of Exercise and Nutrition Sciences - [Exercise & Sport Science](#) - is also in the REACH building. Again, exercise & sport science students have access to state-of-the-art equipment. Of note is the added fact that Deakin's School of Exercise and Nutrition Sciences is ranked the number one sport science school in the world, according to the Academic Ranking of World Universities (ARWU).
- The School of Medicine - [School of Medicine](#) – is another state-of-the-art facility at the Deakin Waurn Ponds Campus. It opened in 2008 and offers a 4-year graduate medical degree, with 2 years of pre-clinical education at the University campus in Waurn Ponds, and then 2 years' clinical education and experience in one of its clinical schools – hospitals as far-flung as Ballarat to Box Hill.

News from Swinburne

New Bachelor of Engineering Practice (Honours)

Swinburne will be releasing a *new Bachelor of Engineering Practice (Honours)* degree from 2018. This course will offer an alternative to the traditional teaching and assessment approaches in engineering. It has been co-designed with multiple industry partners to ensure that future graduates will be well-prepared to go into an existing company or create their own. **Entry to the degree will be based on interview rather than ATAR results and assessment will be based on individual performance within a team rather than on exams.** The degree will run alongside the existing [Bachelor of Engineering \(Honours\)](#), and will conform to the requirements for accreditation by Engineers Australia and students will graduate as engineers. Students should note that any maths is acceptable.

Find out more at [Bachelor of Engineering Practice \(Honours\)](#)

The Swinburne Advantage

Staff at Swinburne believe that an undergraduate education must be about more than knowledge. In today's competitive job market, it must be about true job readiness. For over 50 years, Swinburne has been collaborating with leading Australian and global organisations to offer students workplace

experiences. The Swinburne Advantage is available to all new undergraduates; you just need to choose the Work Integrated Learning that suits you from:

- **Professional degrees** – offer high-achieving students the opportunity to enrol in a degree that incorporates a guaranteed, paid, full-time work placement
- **Professional Placements and Internships** – through Swinburne’s partnerships with leading companies, you are offered the opportunity to work in a professional placement directly related to your area of study. You are paid and receive academic credit to your degree
- **Industry-linked projects** – problem-solving is a strength that can bolster your prospective career. You need to graduate with the confidence and skills to tackle any project or challenge. Industry-linked projects are usually undertaken as a unit of study during the final year of your course
- **Accreditation Placements** – some degrees include a mandatory work placement for accreditation. Swinburne has long-standing relationships with top organisations that welcome Swinburne students (eg in law, engineering and education)
- **Industry Study Tours** - are designed to give you experience that will benefit your careers, and give credit towards your degree.

More info: <http://www.swinburne.edu.au/advantage>

Law at the University of Swinburne

Swinburne’s law school offers an undergraduate program that focuses on commercial law with emphasis on intellectual property law, and it is the only degree in Victoria with this specialisation.

Swinburne’s 4-year Bachelor of Laws focuses **commercial law**, with a distinct emphasis on **trademarks, patents and designs, copyright, technology and innovation, and the prohibition of misleading or deceptive conduct and competition law**. The course offers students a degree that emphasises practical skills and real-world experience.

The Swinburne **Bachelor of Laws** program is fully accredited by the Council of Legal Education in Victoria and offers students the option of a single degree or combined program with arts, science, business or engineering.

The VCE prerequisites are Units 3 and 4 – a study score of at least 30 in any English, and the subject bonuses awarded are a satisfactory completion in any Business or Global Politics subject equalling 2 aggregate points per study.

To find out more visit [Bachelor of Laws](#)

Bachelor of Biomedicine to Master of Physiotherapy

The **Bachelor of Biomedicine** at La Trobe University is a suitable degree to use as a pathway to the 2-year **Master of Physiotherapy Practice**. Students should note that La Trobe graduates are given first preference when applying for this program. So, as long as students ensure they complete tertiary-level subjects in *anatomy, neuroanatomy, physiology* and *biomechanics*, and meet the minimum requirements of a WAM of 65 per cent and all relevant prerequisites, they set themselves up to be eligible to be considered for entry into the **Master of Physiotherapy Practice**.

The Master of Physiotherapy Practice is accredited by the Australian Physiotherapy Council, and graduates of the Master of Physiotherapy Practice may be eligible to apply for registration with the Physiotherapy Board of Australia. Professional registration may be subject to additional or ongoing requirements beyond completion of the degree.

For more information visit [Master of Physiotherapy Practice](#)

RMIT offers both **higher education** and **VET certificates and diplomas**. Its main campus is in the City, and it also has campuses in Brunswick and

Bundoora.

- **Bachelor of Biomedical Science (Laboratory Medicine)** – The vital role that medical laboratory scientists play in the healthcare system to **combat superbugs** was highlighted at a recent TedX Texas State university conference. The reality of superbugs in healthcare systems and the role of medical laboratory professionals play in combating these superbugs were discussed. **RMIT's Bachelor of Biomedical Science (Laboratory Medicine) still remains as the only degree in Victoria that is professionally accredited by the Australian Institute of Medical Scientists (AIMS).**
- **Explore Asia through RMIT Vietnam** – You can cross-campus at RMIT Vietnam for up to a year without increasing your tuition or extending your program. **Some advantages are:** It's easy to **match** your academic programs for credit; the **affordable** cost of living; the amazing **food and culture**; the opportunity to **travel** to some of the best destinations in Asia. RMIT Vietnam is the Asian hub of RMIT University, with two well-equipped campuses in Ho Chi Minh City and Hanoi. Programs on offer are: business, creative design and technology. You need to have completed at least one semester of academic study at RMIT prior to applying for Cross-campus Study at RMIT Vietnam. See: www.rmit.edu.au/students/exchangevietnam

NOTE: A number of other Victorian universities also have overseas campuses where part of a degree can be studied. In addition, all universities have '**partner**' **overseas universities** where part of a Victorian degree can be completed (eg a semester). Universities encourage this option, and will **assist with organising placements**. They will sometimes assist with travel costs as well. An advantage of this program is that the fees for completing the overseas placement remain the same as they would be if the student was studying in Victoria.

Snapshot of RMIT University

- One of Australia's original educational institutions founded in 1887, RMIT University now has more than 80,000 students, including more than 12,000 at postgraduate level.
- RMIT provides you with a range of education options, from an apprenticeship, traineeship or certificate, to an associate or bachelor degree, or a postgraduate degree by coursework or research - [RMIT - Levels of Study](#)
- RMIT is regarded as a world leader in Art and Design; Architecture and the Built Environment; Engineering; Computer Science; and Business and Management Studies.
- RMIT has a reputation for delivering innovative academic programs within stunning modern and historic buildings located in Melbourne's CBD. The [New Academic Street project](#) will transform the heart of the RMIT City campus creating laneways, gardens, new student spaces and better library facilities.
- RMIT University offers programs of study in 23 schools across three academic colleges - [RMIT - Academic Colleges](#)
- RMIT has three Melbourne campuses, made up of vibrant student communities, modern learning and teaching facilities and open and informal social spaces - [RMIT Campuses](#)
- RMIT engagement with industry has always been central to RMIT's mission, and industry and enterprise is at the heart of every RMIT program - [RMIT and Industry](#)

- RMIT has a strong pathway program to courses providing students an opportunity to transfer from one RMIT program to another - [RMIT and Recognised Pathway Courses](#) and [Student Experience Pathways](#)
- Information about student accommodation options for Melbourne City campus students and visitors can be found at [RMIT Student Accommodation](#)
- RMIT makes sure its support services and networks help students to succeed at university and stay healthy and happy - [RMIT Support Services](#)

VET Student Loan is replacing VET FEE HELP in 2017

The VET Student Loans program was introduced by the Australian Government on 1 January 2017, replacing the previous VET FEE-HELP scheme.

- VET Student Loans are provided by the Australian Government through the Department of Education and Training
- Recipients must be studying an approved course with an approved course provider
- Eligible students incur a debt which is repaid contingent on future income

VET Student Loans will only be available for the following higher level VET qualifications:

- Diploma
- Advanced Diploma
- Graduate Certificate, and
- Graduate Diploma

For more information please visit the Department of Education and Training website at [VET Student Loans](#)

[SpotJobs.com](#) is Australia's fastest-growing online job board, focusing on permanent and flexible employment opportunities. Students looking for casual or part-time work are encouraged to spend some time searching this excellent resource.

Jobseekers can search and filter jobs by location and working conditions, including the time of day they would like to work and preferences such as working indoors or outdoors, or in a customer-facing role.

For students, this means they can focus on study while learning new skills that will help build their careers for the future.

SpotJobs provides an easy-to-use platform that means no matter where you are, or what device you're using, it's simple to search, apply and get hired.

Profile of Myotherapy/Massage Therapy

Students often enquire about *what Myotherapy is*, *where* one can study for it and the possible *pre-requisite studies*.

A Myotherapist usually assesses and treats patients with postural problems, with the aim of restoring the body to its ideal state. This generally involves the manual realignment of muscles, joints, ligaments, and tissues which have become damaged or misaligned. Often Myotherapists plan, apply and assess massage treatment in the health care and soft tissue treatment industries. Myotherapy is offered at several institutions including Australian College of Sports Therapy, Box Hill Institute, Chisholm Institute, Holmesglen Institute, RMIT, and Southern School of Natural Therapies, to name a few. For most institutions, there are no pre-requisite VCE studies.

Visit [Australian Natural Therapists Association](#) to find out more!

Where will the Jobs be in 2020?

Each year, the Department of Employment produces employment projections by *industry*, *occupation* and *region* for the following five-year period. **In other words, where the jobs might be!** These employment projections are designed to provide a guide to the future direction of the labour market. These forecasts are there to guide students, whilst they are reminded that there are always unforeseen circumstances that could affect these suggestions.

In summary, some of the anticipated industries offering job opportunities include -

INDUSTRY	EMPLOYMENT GROWTH TO 2020
Health Care and Social Assistance	16.4%
Professional, Scientific and Technical Services	14.8%
Education and Training	13.0%
Accommodation and Food Services	12.0%
Rental, Hiring and Real Estate Services	11.9%
Arts and Recreation Services	10.8%
Transport, Postal and Warehousing	8.5%
Financial and Insurance Services	8.5%
Retail Trade	8.4%
Construction	8.3%
Administrative and Support Services	8.0%
Public Administration and Safety	7.8%
Other Services	5.3%
Information Media and Telecommunications	4.0%
Wholesale Trade	0.8%
Electricity, Gas, Water and Waste Services	0.6%

Agriculture, Forestry & Fishing	-3.1% (decline in jobs)
Manufacturing	-5.3% (decline in jobs)
Mining	-14.1% (decline in jobs)

It is anticipated that there will be a decline in employment growth in agriculture, forestry and fishing, as well as in mining and manufacturing industries leading up to 2020, due to technological advancements.

Interestingly, at the more detailed sector level, the top 15 projected growth sectors generally reflect the projections at the broader industry level, with sectors in Health Care and Social Assistance; Professional, Scientific and Technical Services; and Education and Training particularly prominent.

TOP 15 PROJECTED GROWTH SECTORS	GROWTH TO 2020
Medical Services	26.8%
Dental Services, Optometry and Optical Dispensing, Physiotherapy Services and Chiropractic and Osteopathic Services.	22.2%
Architectural, Engineering and Technical Services	19.5%
Aged Care Assistance Services, Disabilities Assistance Services, Youth Welfare Services and Welfare Counselling Services.	19.3%
Child Care Services	19.2%
Adult, Community and other Education	18.8%
Auxiliary Finance and Investment Services	18.4%
Computer System Design and Related Services	17.3%
Cafes, Restaurants and Takeaway Food Services	14.9%
Tertiary Education	13.0%
Building Installation Services	12.5%
Road Freight Transport	11.2%
Legal and Accounting Services	10.9%
School Education	10.3%
Hospitals	8.9%

To read up on the entire report, or for monthly updates on future employment opportunities, visit [Jobs Forecast](#)

Animation & Gaming Courses

Animation and games design courses offer students a range of opportunities to be exposed to, and develop their skills in, subjects such as *computer coding, computer programming, broad IT skills, simulation and modelling, computer-based 2D and 3D, interactive information design, and virtual environments*, to name but a few. Below is a list of some undergraduate degrees offered at Victorian Universities. **For a comprehensive list of courses (including the many double-degree options) on offer at Victorian universities, TAFEs and Private Providers, visit [VTAC](#).**

INSTITUTION	COURSE NAME	VCE PREREQ'S	MAJOR STUDIES
DEAKIN	Animation and Motion Capture	Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.	Audio and visual effects, Film and television, Motion capture, Screen studies, 3D animation, Creative arts, Interactive art, Project management, Storyboarding, Character design and rigging, Film studies, Narrative, Stereoscopy, Animation, Documentary and experimental filmmaking, Media, Screen production, Visual communication design, 2D animation, Compositing, Film titling, Photography, Stop motion animation.
	Games Design and Development	Units 3 and 4: a study score of at least 25 in English (EAL) or at least 20 in English other than EAL.	Animation (games), Computer graphics, Internet and multimedia, Software development, Artificial intelligence, Information and communication technology, Object-oriented design, Games design, Animation design and production, Computer programming, Networking, Web design, Modelling (3D), Animation (3D), Computer animation, Interactive multimedia, Programming, Animation software, Games programming, Networks and multimedia, Games development.
FEDERATION	Games Development	Units 3 and 4: a study score of at least 15 in any English; and a study score of at least 20 in one of Maths: Mathematical Methods (any) or Maths: Specialist Mathematics.	Information technology, Project management, Animation (3D), Computer programming, Games programming, Multimedia design, Computer animation, Digital animation (games), Interactive multimedia, World Wide Web, Animation (games), Computing, Games technology, Multimedia technology, Animation (2D), Computer graphics, Games Development, Internet and World Wide Web, Mobile Application Development, Animation software, Databases.
RMIT	Animation and Interactive Media	Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.	Computer animation, Motion design, Web design, Interactive media, Illustration, Digital arts, Design, 3D animation, Animation design and production, Animation, Visual effects, Imaging and sound, Concept art, 2D animation.
	Games Design	Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.	Computer graphics, Games design, Entrepreneurship, Animation (modelling), Digital art and design, Games technology, Computer programming, Games development, 3D animation, Arts (contemporary), Digital imaging, Graphic design, Digital animation (games), Games programming, 3D design.
	Games and Graphics Programming	Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL; and a study score of at least 25 in one of Maths: Mathematical Methods (any) or Maths: Specialist Mathematics.	Networking and multimedia technology, Artificial intelligence, Digital animation (games), Multimedia and digital arts, Software engineering, Animation (modelling), Computer programming, Games programming, Programming (C), Animation (3D), Computer animation (computer graphics), Digital art and design, Multimedia imaging, Animation software, Design (3D), Internet and multimedia, Programming (Java), Animation (games), Computer graphics, Digital imaging.
SWINBURNE	Animation	Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other	2D and 3D animation, Animation technologies, Character and environment design, Motion graphics, Narrative and storyboards, Production techniques and technologies,

		than EAL.	Screen literacy and contemporary cinema, Scriptwriting and directing, Sound design and acquisition, Stop motion animation, Writing for animation.
	Games and Interactivity	Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.	3D world design, Audio and video production, Cinema studies, Game design, Games development, Games technology, Narrative design.
UNI MELBOURNE	Fine Arts (Animation)	Units 3 and 4: a study score of at least 30 in English (EAL) or at least 25 in English other than EAL.	Animation.

An AAP APP...

Yep, a FREE app for AAP's!

Q. What is AAP?

A. Australian Apprenticeship Pathways.

Why should you bother?

There are a squillion jobs that can begin with an apprenticeship or traineeship. (Well, maybe I exaggerate!)

You can search through over 3000 **examples** of apprenticeship and trainee occupations on this free app.

Look Out... While the app doesn't show **real** jobs, it does give you an idea of the type of apprenticeships & traineeships you can do, and **this gives you the power to negotiate with your current boss, or a future one.** (aka, show them the AAP APP and ask them if they can turn your job into a traineeship or apprenticeship. **Simples!**)

Heck, if you are going to work for money, you may as well turn it into a qualification along the way!

Don't you think that having qualifications under your belt makes you rather attractive to employers? (Sorry, that sounds kinda creepy – but you know what I mean!) This, in turn, makes job seeking (for the future you) far easier.

Spending 10 minutes of your time, exploring this app, is a great investment for your future!

Here is the link: <http://www.ausapp.com.au/>

CESC Resources

Structured Workplace Learning **SWL Statewide Portal**

Find current work placements offered by employers across Victoria - Structured Workplace Learning (SWL) is on-the-job training that allows students to develop their work skills and understand employer expectations. SWL is available to Victorian school students undertaking a VET program as part of their VCE or VCAL studies, including School-based Apprenticeships and Traineeships (SBATs).

Career Tools

Our aim is to provide you with all the latest information that will help you make decisions about your future career and your life beyond school.

You can use this site to locate University, TAFE and any other type of course across Australia, get information about the VCE, search for job vacancies and much more. For further information, please login to <http://www.cesccareers.com/>

Current Student Accounts – Change of Passwords

- Students have been emailed their new Passwords.
- You can log into the "Student Secure Area" and change the Password.
- The page where you change your Password will ask that you do not choose one you have used before.

Please see Nancy in the Careers Resource Centre for further information.
