

REPRESENTATIVE SPORTS POLICY

Rationale:

Cranbourne East Secondary College is committed to supporting our students' achievements in a variety of fields. This policy is put in place so that support for competitive sporting events does not put undue strain on resources or fundraising commitments.

Aims:

To ensure there are clear guidelines in providing sponsorship for students who represent our school at a state or national level.

Implementation:

- Financial support for students participating in State and National Level sporting events (School Sports Victoria sanctioned events) will be limited to \$250.
- School Council will only approve support for students participating at sporting events that are endorsed by governing bodies with which our school is affiliated.
- Eligible students must apply in writing to School Council for approval
- Documentation must be provided to show details of the event and the participant's expenses.
- Only one approved event per student, per year.
- Students will not be able to fundraise at the school.

Evaluation

The effectiveness of this policy will be reviewed as part of the college's three year review cycle.
