I am very interested in student leadership because I feel like it can help guide me in the future and prepare me for what is to come. I would say my main achievement this year is being a part of the Student Voice leadership team and volunteering every Wednesday at the Breakfast Club. DE SILVA

I'm a Year 8 Student Voice leader and a Class Captain. Throughout my journey in Student Voice I have achieved many things. I helped organise Multicultural Day last year and this year; I also helped with organising the Year 7 Orientation Day last year. I attended the GRIP Leadership Conference with Student Voice and I also helped out with Breakfast Club. I intend on being part of Student Voice in the future and want to continue to do what I have been doing to the best of my ability.

I have officially been a part of SV for three terms although I did help out last year for speeches and other activities including:

- Year 7 Information Nights
- Parent Teacher Interviews
- SOAR Surveys
- Anti-racism Presentations
- Breakfast Club
- Multicultural Day

At the moment, I am helping at Breakfast Club every Monday morning. We are also working on fundraising for Movember. I attend all SV meetings every Monday at lunchtime and helped out as an usher for the Production. In the future, I'd like to improve our lockers as they are too small to use and are almost impossible to fit anything into. I would also like to organize a pyjama day as the school would make a lot of profit from it to donate to a good cause. My favourite part of SV is Multicultural Day because there is so much variety on the day and I got to speak in front of the whole school.

Gemma  
FLEINER

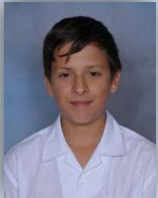

I am currently in year 8. I started being a Student Voice leader in 2017, as well as being a Class Captain. I have been involved with many events, including:

- Breakfast Club
- Multicultural Day
- Parent Teacher Interviews
- Soar Surveys
- Badge Assembly
- Weekly SV meetings

Currently, I am helping to plan Movember and I am looking for little things that will make a big difference to help improve our school.

|   | <p>Bailey<br/>SMITH</p>    | <p>I have been a school leader for the past 3 years and have very much enjoyed the experience. So far this year, I have run several school assemblies, have been working with the Year 12 student leadership team and the student voice as a whole to help train the leaders of years to come.
