

CRANBOURNE EAST SECONDARY COLLEGE

The Student Voice[®] Volume 5

Hello loyal readers and welcome to the fifth edition of the Student Voice, to begin...

CESC Events

For those of you living under a rock, or if you've been too busy playing Pokémon Go, our school has had a few important events recently. The first was a student free day as the school hosted the parent teacher interviews. Hopefully you enjoyed a sleep-in and then had some good meetings. Friday 29th July was our second free dress day and students again wore everything from their favourite sport jersey to a cosy one-sie and everything in between. Students brought in gold coin donations, the proceeds of which went towards funding the Breakfast Club (which is proving very popular) and other Student Voice projects. The class that donated the most money will receive a **SPECIAL PRIZE!!!** With that out of the way, here is the News round-up from the other student leaders.

Bailey Smith, Year 11 School Captain

SPORTS AT CESC

The various inter school sports that took place during Term 2 were a major success with many students from all year levels participating in all sports. Cross country was also a huge highlight in Term 2 for Years 7-10 with a pleasing number of people taking part in the school cross country and further events. Students from Year 7-10 had the opportunity to participate in AFL, soccer, netball and badminton. Our school was successful in the Year 7 girls' soccer, the Year 9 & 10 soccer and also the Year 8 girls' netball. We wish all of you luck this term with zone! Mr Horwill is currently running a school athletics squad that consists of 15-20 students who train every Thursday night after school.

In Term 3, students have the opportunity to participate in basketball, hockey, handball and table tennis. Training is underway for many of the sports, information for the other sports is still being collected so listen out for any announcements for sports you may be interested in. Lastly, thank you to all the teachers for dedicating some of their time to coaching the teams. We really appreciate it.

DRAMA

This year if you didn't know already, CESC is putting together another hopefully award winning production. They have been working hard to perfect the songs, dance and blocking of the drama icon "Grease". There are currently 6 weeks left until the first show, starting on August 31st and ending on

2nd of September. Good luck to all cast members!

VCE Drama and Theatre Studies had their own separate showcase nights, Theatre Studies performed their version of the "Venetian Twins", a Comedia Dell'arte performance adapted with modern twists placed throughout the play. Drama students performed their ensemble performance they had been working on for the previous semester. Unfortunately, one of the students in the final group experienced a little too much drama than was expected, and their performance was delayed until the first CESC drama showcase.

CESC held their first ever "Drama Showcase Night", which was an opportunity for students of every year level to show off their skills on stage. Each year level had a group of students show what they had been learning in class and gain stage experience performing in front of an audience. Year 10 Dance also performed "Guns and

Ships” from the multi award winning production “Hamilton”.
