GLOSSARY OF TERMS

VCAA

The Victorian Curriculum and Assessment Authority (VCAA), an independent statutory body directly responsible to the Minister for Education, serving both government and non-government schools.

VCE EXTERNAL ASSESSMENT (EXAMINATION)

Any centrally set task that is assessed externally by the VCAA, including any written, electronic/digital, oral, aural or performance tasks conducted to the requirements of the accredited study design or assessment guide (VET studies) and taken under examination conditions.

VCE EXTERNAL ASSESSMENTS

VCAA STUDENT NUMBER

All response materials must be identified by your VCAA student number. This number, which is assigned by the VCAA, appears on your individual Student Examination/Assessment Timetables, which is supplied by your school.

STUDENT IDENTIFICATION

When you present for a VCE external assessment your identity must be verified as you enter the examination room, either by a staff member from your school or by producing photographic identification (see also 'Advice for performance and Languages oral examinations and the Extended Investigation oral presentation' on pages 14–17).

TIMETABLE CLASHES AND THREE EXAMINATIONS ON ONE DAY

You may have a timetable clash (two examinations scheduled at the same time) or three examinations scheduled on one day.

Your school should already be aware of any timetable clashes or if students are required to sit three examinations on one day.

All examinations must take place on the date published in the VCE examination timetable. If you have an examination at an alternative time, you will be supervised between examinations. The VCAA will contact schools to advise them of the scheduling arrangements for individual students.

CONDUCT OF WRITTEN EXAMINATIONS

Supervisors have the right to check materials brought by you into the examination room and remove any non-compliant material for the duration of the examination.

A suitably qualified member of the school teaching staff will check the appropriateness of your reference materials, calculators and dictionaries as you enter the examination room for examinations where these items are permitted.

During reading time you may study the instructions for the examination, the question book and a dictionary or bound reference if these are permitted in the examination.

EXAMINATION CENTRE, VENUE, ROOM

A location where VCE external assessments are held.

RESPONSE MATERIALS

Any designated answer book, question and answer book or multiple-choice answer sheet in which the students record their responses.

SUPERVISOR

A person appointed by the principal and approved by the VCAA to act as a supervisor for VCE external assessments.

You must not begin to write or mark your paper or response material in any way, or use a calculator if one is permitted, until the announcement that writing time has commenced.

Your responses to examination questions must be entered on the response material as instructed. Notes and other markings made elsewhere on the response materials will not be assessed. You should use a blue or black pen in your responses, unless otherwise instructed. Some examinations require you to complete a multiple-choice answer sheet. You should ensure that you use the multiple-choice answer sheet provided and follow the instructions printed on the sheet.

You should immediately notify the supervisor if the incorrect examination paper has been provided or if your examination paper has missing pages.

You cannot leave the examination before 30 minutes has elapsed from the start of writing time. An announcement will be made prior to the scheduled last five minutes of writing time. You cannot leave the examination after this announcement, until instructed to do so by a supervisor.

You must cease writing when instructed to do so by a supervisor. You must remain silent and must not leave your place until all response materials have been collected. When all response materials have been collected, the supervisor will give the direction for you to leave the room. Any disruptive behaviour by students during the examination will be reported to the VCAA. The matter will be investigated, and appropriate action will be taken by the VCAA. (Refer to 'VCAA Rules' on page 8.)

BOTTLED WATER

You may bring bottled water into an examination room subject to the following conditions:

- The water is in a transparent plastic bottle (all labels removed).
- The water bottle has a secure lid.
- The capacity of the bottle is no more than 1500 mL.
- Water bottles must not be placed on the table at any time.
- Water bottles must not be refilled during the examination.
- Water bottles must not be shared between students.

MOBILE PHONES AND OTHER ELECTRONIC DEVICES

Mobile phones and other unauthorised electronic communication devices, such as organisers, iPods, MP3 players, electronic dictionaries and computerised pens, stopwatches and watches that are capable of storing, receiving or transmitting information or electronic signals, are not permitted in an examination room under normal written examination conditions. Confiscated mobile phones and other devices may be held for up to three months.

WATCHES

You will not be permitted to wear watches of any type during a written examination. All watches must be removed and placed at the top of your table, where they can be seen clearly and easily by supervisors.

Stopwatches or watches with special functions, such as an alarm or a stopwatch, are not permitted in the examination room.

If there is any doubt about the functions of your watch, supervisors are authorised to direct you to remove the watch from the table for the duration of the examination.

The commencement of reading and writing times will be based on the clock time displayed in the examination room.

CALCULATORS

In examinations where calculators are permitted, a suitably qualified member of the school teaching staff will check the appropriateness of calculators as you enter the examination room.

Calculators must not be used during reading time.

Calculators that have graphic, symbolic or programmable capabilities may be used in specified Mathematics examinations, provided the model is approved.

Scientific calculators may be used in specified examinations. A scientific calculator does not have graphic, symbolic or programming capabilities. It does not have extended memory capable of storing text and/or symbols.

Conditions of use

These are the conditions under which all calculators may be used:

- The calculator must be silent and of the hand-held type containing its own power source. You are not permitted to take portable chargers into the examination room.
- You will be entirely responsible for ensuring adequate power supply to your calculator. You must supply your own spare batteries. Any technical fault or battery failure that limits the usefulness of a calculator during an examination will not be taken into consideration by the assessors.
- You will also be responsible for ensuring that the calculator is in excellent working order.
- You may not borrow a calculator from another student after entering the examination room.

Other technology

Computers, mini-computers, iPods, MP3 players, pocket-organisers, laptops, palmtops, calculator models that can 'communicate' with other calculators and notebooks are excluded from use in any examination, except under specified circumstances for which prior approval has been given by the VCAA.

If you arrive late for a VCE written examination:

- a. up to 30 minutes after the scheduled start of writing time, you will be admitted to the examination room. You will be given the full writing time but no allowance for reading time.
- b. after 30 minutes from the scheduled start of writing time, but before the scheduled finish of writing time, you may be admitted only if all the following conditions are met:
 - i. The principal of the host school, or the principal's delegate, recommends your admittance.
 - ii. You are admitted into the room on the understanding that your response materials may not be accepted by the VCAA. You will be advised of this condition and must sign acceptance of this requirement on the Statutory Declaration.
 - iii. You complete a statutory declaration immediately following the conclusion of the examination declaring:
 - the reason for being late
 - the time of your admittance to the examination room
 - you have not seen or read the examination question book prior to their admittance
 - you have not received any information about the contents of the examination question book
 - you understand that your response materials may not be accepted by the VCAA.
 - iv. That appropriate arrangements can be made to enable you to complete the examination without disruption to other students.

You will be given the full writing time but no allowance for reading time.

If you arrive late for a performance or Languages oral examination or Extended Investigation oral presentation, you may have your assessment rescheduled to an alternative time, provided you have a valid reason for the lateness, which must be endorsed by your home school.

IRREGULARITIES

Irregularities are events that significantly interrupt and adversely impact your performance immediately before or during a VCE external assessment, and that are outside your control. Examples of events that can occur are:

- power failures, emergency evacuations and other disruptive events
- printing and/or collating errors in examination question books
- excessive noise/interference
- incorrect interpretation of external assessment conditions or VCAA rules by supervisors
- procedural issues with the conduct of oral and performance examinations or the Extended Investigation oral presentation.

Where reasonably possible and practical, minor disruptions will be rectified and remedied at the time by the supervisor, for example, by replacing faulty books.

If you believe that an event constitutes an irregularity that has materially affected your performance in the external assessment, you must advise your principal (or principal's delegate) in writing within three days of the end of the external assessment.

SPECIAL PROVISION

There are two types of Special Provision available to you for VCE external assessments:

- Special Examination Arrangements
- a Derived Examination Score (DES).

SPECIAL EXAMINATION ARRANGEMENTS

The VCAA recognises that some students with an illness or disability may require Special Examination Arrangements to enable them to access questions and communicate their responses in an external assessment.

The VCAA makes the decision on applications for Special Examination Arrangements for all VCE external assessments, which includes the GAT, all VCE examinations and the Extended Investigation Critical Thinking Test and oral presentation. Schools are responsible for submitting an application for Special Examination Arrangements on behalf of their students.

All applications for 2016 VCE external assessments associated with long-term or chronic conditions should already have been submitted to the VCAA and a decision communicated to the student's school.

If you have a recently diagnosed condition and believe you might be eligible for Special Examination Arrangements, you must discuss this initially with your VCE coordinator. The school may then submit a late application, which must include the appropriate supporting documentation.

Students who have been granted EAL status on the basis of unfamiliarity with the English language are not eligible for Special Examination Arrangements on this basis alone, unless they qualify for EAL status because of a hearing impairment.

EMERGENCY SPECIAL EXAMINATION ARRANGEMENTS

Applications for emergency Special Examination Arrangements may be submitted by schools if a student experiences a sudden illness, accident or personal trauma immediately before or during the relevant assessment period. These applications must be supported by appropriate evidence.

DERIVED EXAMINATION SCORE (DES)

If you are significantly affected by the onset of an illness, or the occurrence of an injury or personal trauma at the time of your VCE external assessments, you may be eligible for a DES.

You must have independent professional evidence to support any DES application.

You cannot submit a DES application on the basis of:

- unfamiliarity with the English language
- teacher absence or other teacher-related difficulties
- a long-term or chronic condition or illness
- matters that could have been avoided by you, for example misreading the examination timetable or instructions or matters related to school discipline
- matters of your own choosing such as involvement in social events, sporting or training activities, school events or volunteer work.

This applies to all VCE external assessments, which includes all VCE examinations and the Extended Investigation Critical Thinking Test and oral presentation.

A DES is not available for the GAT, Music Style and Composition Externally-assessed Task or Extended Investigation Externally-assessed Task written report.

Attendance at VCE external assessments

You are advised to attend every VCE external assessment if at all possible. You should not miss an external assessment merely because you do not feel able to do your best.

If you do not attend an external assessment and your application for a DES is not approved, you will receive 'NA' for that external assessment. The VCAA does not expect you to attend an external assessment against medical advice, but you must still meet the DES eligibility requirements and have a definitive written statement from an independent health professional recommending non-attendance at the external assessment. You must have consulted this professional as close as possible to the day before the external assessment, or on the same day as the external assessment, about your diagnosis and inability to attend.

If you are prevented from attending an external assessment, it is imperative that you notify your principal or VCE coordinator immediately.

If you are ill but able to attend the external assessment, you should inform the VCE coordinator of your condition as soon as possible (before or after) the external assessment. If you are ill during the external assessment, you should inform the supervisor.

Closing date for DES applications

The VCAA must receive your DES application no later than seven days after your last external assessment in the relevant assessment period. Your individual Student Examination/Assessment Timetable contains the DES closing dates.

Please note that there are individual closing dates for oral, performance and written examinations.

How to make an application

If you believe you are eligible for a DES, you should first seek advice from your school.

Specific details on how to complete each section of the DES application are provided on the form.

It is very important that you read and follow these instructions carefully. Submitting an incomplete application may jeopardise the chances of the application being approved.

Submitting your application

The primary responsibility for submitting an application that meets all eligibility criteria rests with you.

You should submit your application to your home school principal. The principal will consider the application and make a recommendation to the VCAA at their discretion.

The VCAA reserves the right to contact the school when statements involving the school need to be verified.

Compassionate Late Withdrawal or Interrupted Studies

If an illness or personal circumstance has been so severe that you have not been coping with the demands of VCE studies, you should discuss with your VCE coordinator the possibility of Compassionate Late Withdrawal or Interrupted Studies status. The school will need supporting professional evidence if you decide to pursue either of these options.

You should be aware of the Victorian Tertiary Admissions Centre's Special Entry Access Scheme (SEAS). Check the VTAC website for details and closing dates: www.vtac.edu.au

More information about Special Provision is available via schools and on the VCAA website: www.vcaa.vic.edu.au/pages/vce/exams/specialprovision/specialprovision.aspx

Your results will be sent to your address as recorded on VASS. The final date to amend your address is Friday 25 November 2016

CONSENTS AND PERMISSIONS

Earlier this year you would have completed a Student Full Details form, which required you to give your consent/permission for your personal or assessment information to be used.

It is critical that you check and confirm that you are comfortable with your consents and permissions well before the end of the year.

For example, if you achieve a study score of 40 or above in any VCE study, your achievement will only be published in major newspapers and on the VCAA website if you have given your consent.

Please contact your school if you wish to check or change any of your consents and permissions.

2016 VCE RESULTS AND ATAR SERVICE

The VCAA and VTAC offer three options for accessing VCE results and the ATAR: internet, SMS and mail.

VCE results and ATARs are available from the 2016 VCE Results and ATAR Service from 7.00am Monday 12 December.

Only 2016 results are recorded on this service.

You will need your VCAA student number and your results service PIN. Both the VCAA and VTAC encourage you to change your default PIN, which is the first four digits of your birthdate (for example, 17 July = 1707), to ensure you select a results service PIN that will enable the security of your results data.

If you have registered with VTAC, please note that your VTAC ID and PIN are separate from your results service PIN. Only your VCAA student number and results service PIN can be used to access the 2016 VCE Results and ATAR Service.

To change your PIN go to www.vcaa.vic.edu.au/Pages/VCE_results.aspx and follow the links.

INTERNET

resultsandatar.vic.edu.au

The internet service is free and available 24 hours a day from 7.00am Monday 12 December until 5.00pm Friday 16 December.

SMS

19 787 888 SMS cost \$1.10 max. (incl. GST)

To register to receive your results and ATAR by SMS, send a text message as follows:

- student number – eight digits only, not the letter
- space
- PIN (four digits)
- send to 19 787 888.

Salamat – SMS cost \$1.10 max. (incl. GST). Obtain bill payer's permission before using this service. Call 1800 501 083 for help with SMS registration.

You can register between 9.00am Monday 7 November and midnight Sunday 11 December.

Requests sent after this may be delayed.

You will receive your results from 7.00am Monday 12 December. SMS access is available until 5.00pm Friday 16 December.

SMS results are reported by using the first two alpha characters and numbers of the study. For example, Further Mathematics is represented by MA07, Mathematical Methods by MA11 and Specialist Mathematics by MA09.

Students should be aware that scored VCE VET studies (such as VCE VET Business and VCE VET Hospitality) only have two graded assessments – one school-based assessment and one external assessment.

To find out more about VCE examination results, a Statement of Marks can be obtained. Further information is available on the VCAA website: www.vcaa.vic.edu.au

MAIL

VCE and VCAL results and ATAR statements will arrive in the mail from Tuesday 13 December. Printed ATAR statements are only mailed to VTAC applicants who have submitted and paid for a course application. Students who have not applied for courses can request an ATAR statement from the VTAC website: www.vtac.edu.au. Administrative fees apply.

VCE and VCAL certificates are distributed by schools and colleges, rather than mailed with the results.

Post Results and ATAR Service (PRAS)

The Post Results and ATAR Service blog contains detailed information from the VCAA and VTAC about student results and ATAR, as well as answers to frequently asked questions. If you have further questions after receiving your results and ATAR, contact the Post Results and ATAR Service (PRAS) by phone or email.
