

REFUND POLICY 2023

Purpose:

Parents/guardians/carers paying for activities: e.g., incursions, excursions, and Camps. However, requests for refunds for students that do not attend, for whatever reason, will be considered on an individual case-by-case scenario.

Scope:

To set out where a refund is justified and where it is not. Additionally, for the College to identify the method of refunding the parent/guardian/carer depending on a few factors of consideration. The process be a fair and equitable refund system.

Policy:

Cranbourne East Secondary College at its discretion will consider refund requests for partial or full refunds of payments made by parents on a case-by-case basis taking into account the individual circumstances and the supplier refund policy.

Refunds will be processed where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.

Generally, we will not be able to refund payments made for items purchased or costs that have already been paid, where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the college. Where possible, we will make this clear to parents at the time of payment.

Note: CSEF - Camps, sport, excursion funds will be transferred with the student to the next educational sector whether government or private. If the student exits and does not continue schooling the funds remain with Cranbourne East Secondary College. Parents/guardians/carers have no claim to the funds as per government legislature.
